The Chinese Cultural Center of Greater Toronto is delighted to organize and host its first Music Festival in recognition of our Youth at the same time affording them the opportunity to demonstrate their potential in the performance and knowledge of classical music.

It is the organizer's hope that the Festival will encourage students to learn from each other and from adjudication by respected Music Adjudicators. It is further hoped that it will be an incentive to the students to continue their pursuit of excellence.

The concept for a music festival originated with Youth Ambassadors Lang Ning Liu and Lu Wang. Without their initiative, tenacity and sheer hard work, the festival might still have been a pipe dream.

We congratulate the members of our Organizing Committee for upholding their promise by nurturing and paving the way for youth to showcase their talent now and in the future when hopefully some will go into a career in music.
